

Become's 1st Newsletter, November 2012

You knew us as OrphFund Israel. Now, we are **Become**.

After a long process, we are now a completely independent organization, with a new name, new website and new team on board. Although we changed our name, the organization still works with the same principle: 100% of donations received goes towards the projects.

New website

**The new website is
now available at:**

www.become-world.org

In the website you can find everything about us, about our mission and vision, aims, future plans, financial reports, and more. Everything is there! So click the link above visit us!

Become a sponsor!

**Now, you can give a
child a scholarship!**

One of the most important projects in Become is the “From Streets to Scholars” scholarship program. The best way to allow a child to break away from the generational cycle of poverty is to help him/her access quality formal education. A solid secondary school education will facilitate his/her chance to reach university / college / other professional training. To read more and to become a sponsor, click

More news

New projects!

HAITI – January 2013

Become will launch an initial small-scale project at the start of 2013. With the help of experienced consultants and field agents, a first intervention will be established. No volunteering positions are open for this project, at this point. More info to come soon!

KENYA – Summer 2013

Plans are underway for the next project that will take place in Kenya, Nyanza province, in August & September 2013. More details will follow in the next Newsletter and website.

If you want to volunteer for the Kenya project, please contact us soon, through the website, or via email: info@become-world.org

Collaboration with the BALKAN BEAT BOX
Soon there will be some exciting news regarding our ongoing collaboration with the BBB... Stay tuned!

Tomer Yosef (Balkan Beat Box) and Dr. Ziv Gan-Or at the channel 10 morning show, talking about Become.

Anne-Sophie & Wycliffe Omondi (Clinical Officer on staff) at our children clinic, Kager, KENYA, August 2012

Want to help?

Looking for a volunteering opportunity? Want to help bring change? Interested in an internship or a career in international development? We are always looking for dedicated individuals. Write us at info@become-world.org
